This year's program will be more of a keepsake than it has been in the past. Your family may purchase a space in the program to place your students picture and/or a message.

There are 4 different sizes of program space, ranging from \$10.00 to \$35.00 (on back of this sheet). Because of copyright laws, these pictures need to be personal snapshots OR you may choose one of your dance pictures being taken at Read. If you choose one of your Read photos, please cut off the bottom of this page and give it to Nikki at picture time. Messages and snapshots should be turned in by May 31.
